

Makes **16 gallons** of Salt-X Solution

## Salt-X AutoMix Hose End Sprayer - Stream / Fan Sprayer

### The Salt-X Auto Mix Stream / Fan Sprayer

is a top of the line stream/fan hose-end spray model. This sprayer provides a control knob with three settings (H2O, Off, Mix) for ease of handling. The unit comes with a Garden Hose Quick Disconnect, or the Quick Disconnect can be removed, and the Garden Hose Screwed directly into the sprayer. The F Style bottle is filled with 32 oz of Salt-X concentrate.

### Features

The **Salt-X Auto Mix Stream / Fan Sprayer** provides a concentrated stream and even flow. One knob controls both water and product flow. The dip tube and bottle seal are included for use. A Custom mixture rate of 64:1 (2 oz Salt-X to 1 Gallon of Water) ensures the Salt-X and water is mixed automatically to provide cost-effective mixture distribution. **The Salt-X Auto Mix Stream / Fan Sprayer** is a high-quality sprayer coupled with a 32 oz F Style bottle that can be reused over and over again and refilled with our Salt-X Gallon Bottle.

### Safety

The tamper-proof closure assures safety and provides peace-of-mind. Simply move the white tab to move the control knob from the water setting to the Off setting or the Mix setting.
